Manifest Your Highest Intentions

Think of something that you would benefit from having in your life. Make certain it is positive and does not encroach on the freedom of anyone else. Fill in all the blanks with that one thing.

Say each of the following statements 3 times while tapping on your head and a 4th time while tapping on your chest.

"I make space in this world for _____; in all moments."

"I remove all blockages to _____; in all moments."

"I stretch my capacity for _____; in all moments."

"I am worthy and deserve to _____; in all moments."

"I release believing _____; is too good to be true; in all moments."

"I open up portals for _____; in all moments."

"I walk into the reality of _____; in all moments."

"I activate the next cause in _____; in all moments."
